

ELMS FIELD

WHERE TO PARK IN WOKINGHAM TOWN CENTRE

This March Wokingham Borough Council starts construction on its Elms Field regeneration project.

These exciting plans will see a fantastic new location for Wokingham. There will be new shops and restaurants, an Everyman Cinema, Aldi, Premier Inn, and new homes all focussed around a large landscaped town centre park with a destination play area and lots of space for events.

As part of this work the Council will close the Wellington House car parks from Monday March 19, 2018 and the Paddocks car parks from midnight on Saturday March 24, 2018.

A new Paddocks car park will reopen in 2020 when work at Elms Field finishes but, in the meantime, there is plenty of parking across the town centre.

This leaflet contains some information about the alternative Council car parks and where you can find them.
